

A woman in a brown hoodie and blue jeans is standing in a modern kitchen, opening a narrow cabinet drawer. The drawer is filled with various baking tools, including a rolling pin, a whisk, and several metal and plastic baking trays. The kitchen has white cabinetry, a wooden countertop, and a large window in the background. The floor is made of light-colored wood.

# Diverse Implementation Options

SPACE TWIN can be built with a range of Blum products. This solution can be combined with LEGRABOX and TANDEMBOX box systems as well as the MOVENTO runner system.

## **Blum's proven quality of motion**

Blum's proven quality of motion is prominent in the SPACE TWIN narrow cabinet. What's more, the cabinet can be fully extended, providing easy access to all contents.

## **High stability and load bearing capacity**

Diagonally offset runners provide improved lateral stability and enable a high load-bearing capacity of more than 40 pounds per base cabinet.

## **Harmonious look**

SPACE TWIN can be implemented with LEGRABOX and TANDEMBOX box systems and with the MOVENTO runner system for a harmonious look.

## **Familiar adjustment and assembly ease**
