# Paper Towel & Foil Wrap Tiered Drawer

4PTTD Series System

Keep your countertops clutter-free while maintaining easy access to your paper towels with the 4PTTD Series! This innovative tiered drawer system combines organization and convenience, featuring ample storage space, a removable dowel for quick refills, and smooth, soft-close slides.

The design also includes three integrated holders with cutting blades, perfect for aluminum foil, plastic wrap, and parchment paper, making meal prep and cleanup effortless.

## SPECIAL FEATURES

- Designed for use in 18" full-height base cabinets or door/drawer applications with a 15" wide by 7-1/2" (7-5/8" for inset) high drawer opening
- Natural maple dovetail construction with a semi-gloss finish or walnut with a satin finish
- Holds (1) standard paper towel roll (6" diameter) and features a tiered design with (3) included holders and cutting blades for aluminum foil, plastic wrap and parchment paper, as well as storage space in the back and underneath
- Removable dowel for easy refills and smooth operation
- Includes a maple or walnut inset beauty ring for use as a template or drawer front with a 3/32" gap
- Glides on BLUM TANDEM full-extension concealed soft-close slides, 100 lb. static load rating
- TSCA Title VI compliant

# Pull-Down Organizer

---

5PDYO Series

Revamp your kitchen storage with the sleek and trimmable Yo-Yo Pull-Down Shelving System. Designed for wall cabinets, this space-saving system offers smooth, gas-spring-assisted operation and a side-mount design that maximizes storage space.

Built with durable sheet metal in a luxurious black finish, it features a strong weight capacity and customizable shelving options. Choose from the included maple shelves or use your own substrate for a personalized touch. Perfect for enhancing both style and functionality in any kitchen!

### SPECIAL FEATURES

- Designed for virtually any wall cabinet up to 36" wide
- Trimmable design accommodates wall cabinet openings 14-1/2"-34-3/4"
- Black sheet metal construction with 5/8" thick maple shelf bottom and backs
- Front rail features an integrated handle for easy operation
- Mounts to cabinet sidewalls
- Gas-spring assisted lifting/lowering mechanism
- Each shelf can hold up to 20 lbs.
- 5PDYO-MB model features "hardware only" without the shelving surfaces for you to add your own 5/8" substrates.
- TSCA Title VI compliant

# Stainless-Steel Produce Baskets

4SSB Series

Store your produce in style with the 4SSB Series Stainless-Steel Produce Baskets! These removable baskets are designed for base cabinets and intended for use without cabinet doors. They are available in your choice of walnut or maple construction and feature either a stainless-steel bottom with matching handles or a luxurious black bottom with matching handles. The perforated design promotes ample air circulation and prevents moisture buildup, keeping your fruits and vegetables fresher for longer. Enjoy simple installation with trim-to-fit side rails and easy transportation using the built-in handles.

### SPECIAL FEATURES

- Designed for 15" and 18" base cabinet openings
- Natural maple or walnut construction with either stainless-steel or black accents
- Unique perforated design allows for proper ventilation when storing produce
- Installs easily with trim-to-fit side rails and (6) No. 8 flat head screws (not included, length is based on cabinet construction)
- Intended for use without cabinet door
- Stainless-steel is rust-resistant
- TSCA Title VI compliant
