# Designed to Make a Statement

Creativity in the kitchen starts with a few strategically placed details. With its timeless and stylish design, LEGRABOX metal drawer systems help harmonize the overall look of the space. From sleek and metropolitan, to rustic and farmhouse, LEGRABOX is a functional design choice that allows plenty of creativity to still shine through. Available in three finishes, your drawer sides can blend perfectly with appliances to complement your personal style, making it a room ready for artistic endeavors.

**LEGRABOX N Height in silk white**

The matte white finish harmonizes with lighter cabinetry or makes a bold style statement when contrasted against darker materials.

## Added Sophistication

Thoughtfully designed, LEGRABOX metal drawer systems add sleekness and originality to any cabinet. Impressively slim drawer sides make the most of available storage space. The full-extension, soft close runners make LEGRABOX everything a modern homeowner could want for an easier lifestyle.

**LEGRABOX C Height in orion gray**

With LEGRABOX's deep drawer heights, tall items stay organized and within easy reach—no more losing them in the back of the cabinet.

# Organization

AMBIA-LINE drawer organization system in orion gray provides a clean, harmonious look to the interior of your drawer. With flexible dividers, stored items are always perfectly organized, easy to find and readily accessible.

# Quality in Motion

Meant for well-loved spaces, LEGRABOX drawer systems are tested beyond industry standards, ensuring lasting beauty and elegance for the lifetime of the cabinet.

**BLUMOTION**

LEGRABOX drawers offer smooth running action and dependability with integrated soft-close BLUMOTION.

**TIP-ON BLUMOTION**

TIP-ON BLUMOTION ensures easy opening of LEGRABOX drawers with just a light press of the drawer front. Drawers close easily and fully with a gentle, fluid push.

**SERVO-DRIVE**

Drawers open automatically with just a light touch of the drawer front thanks to the SERVO-DRIVE electrical opening feature. SERVO-DRIVE is an excellent solution for handleless designs.

LEGRABOX

**SPACE TOWER with LEGRABOX C Height**  
Access storage goods from all three sides of the cabinet by incorporating a SPACE TOWER pantry unit in your next kitchen design.

# Cabinet Solutions

Transform ordinary cabinets into clever, personalized storage solutions that blend innovation with style. From narrow cabinets to the often-overlooked toe kick spaces, LEGRABOX helps you unlock hidden potential, creating seamless storage in unexpected places. Its sleek design allows you to add storage without sacrificing aesthetics, making it perfect for maximizing every inch of your space. Whether you're working with compact kitchens, bathrooms or custom cabinetry, LEGRABOX offers endless possibilities to inject both personality and functionality into your projects.

**SPACE STEP with LEGRABOX M Height**

Reach upper cabinets with SPACE STEP, the retractable platform that also conceals a low drawer in the toe kick space of base cabinets.

**SPACE TWIN with LEGRABOX M Height and C Height**

Transform narrow cabinet spaces into valuable storage with SPACE TWIN, making the most of every inch.

A warm, modern kitchen scene. In the foreground, a young girl with blonde hair sits on a black stool, looking towards the kitchen island. The island has a thick wooden countertop and a man in a striped shirt is standing behind it, smiling and cooking. A drawer under the island is open, revealing organized kitchenware. The background shows a dining area with a round table and chairs, and large windows letting in bright sunlight. The floor is made of light-colored wood in a herringbone pattern.

# moving ideas

At Blum, we pay attention to those small, but valuable, details. We're attentive in everything we do. With our carefully engineered hardware, innovative motion technologies and customized services, we help move your ideas forward. Let's move the world together.
